

# PROGRESSIVE MEDIUMSHIP DEVELOPMENT COURSE

**With Chris Drew**

# START THE **Journey**

**The course will have a strong emphasis on focusing on my own personal way of approaching mediumship and its development.**

This course is ideal for those that have not already taken previous Online Group's with myself, or those who want to refresh previous online modules.

The group is NOT suitable for total beginners.

Each class is interactive and will work on many aspects of the Mediumistic and Psychic levels. Each session will last for 2hrs, and will consist of a talk, an exercise, and a question and answer session.

## DEVELOP WITH **PASSION**

The 5 part modules will focus on, in a practical way, demonstrating evidence of eternal life and the intelligence behind the communication.

This is a very informative course, giving you guidance to help you improve your abilities, in a supportive and fun environment, all delivered with passion and years of teaching experience.

"I am passionate about advancing mediumship through my teachings, especially where you learn to SURRENDER to the power of the communicator"

- Chris Drew

# COURSE CONTENT (What to expect)

## 5 PART MODULES

1

### CLAIRSENTIENCE

In this class I shall give a talk about how we can make a more solid connection with the spirit world, through the intention and attunement. I shall guide you through having a more profound experience with the communicators.

2

### RELATIONSHIPS

The class will look at establishing the relationships, and how to be open and receptive to receiving all types of relationships with more confidence.

3

## CLAIRVOYANCE

You will be guided to truly understanding Clairvoyance and how to allow the images to unfold in a natural way without controlling the evidence within your mediumistic contacts.

4

## PSYCHIC

The 'medium' should never see the Psychic Level as lesser than the Mediumistic Level. The class will look at making a stronger connection psychically and how we meet the needs of the sitter, and how we can give a reading that is of value and meaning.

5

## THE POWER OF THE STORY

Communication with the Spirit World should go far beyond just merely giving information, if we are to do justice to the communication we need to be able to tell the 'story' of the person in the spirit world and bring that communication ALIVE, these are real souls that have lead real lives. We need to be able to tell the story of the relationship they shared with those in this physical life, remembering those special memories

**“My work ethic is simple,  
regardless of a student’s  
level of experience they  
should never be satisfied  
with, or limit themselves  
to, the standard of  
mediumship that they  
have achieved.”  
- Chris Drew**

# WHAT THE STUDENTS SAY .....

Chris is truly masterful as both an evidential medium, and a teacher. His deep love and reverence for the spirit world shines through in his work, and he always brings this passion to his students. With his many years of experience, he brings a wealth of knowledge, while also bringing a refreshingly modern perspective to mediumship. He always creates a supportive environment, and is truly invested in his students development. He really is one of a kind, and he is, without a doubt, a World Class Medium and Teacher.

Lori Shen – USA

Chris teaches in a very practical way. He does this with great enthusiasm and energy often through humour. All of these aspects help me to learn well. From the very first session he helped me to realise where I needed to change in order to make a better connection with the communicator. Wow what a difference!

Chris Lawson – France

I first saw Chris demonstrate at the Arthur Findlay College several years ago and loved the way he worked, his accuracy, empathy, passion, compassion, honesty and integrity, that's when I knew that I wanted to learn from him. I got to see all the above qualities come across in his teaching too, along with his supportive, nurturing and encouraging ways, not to mention his wealth of knowledge! His love and passion for Spirit shine from him, he genuinely wants everyone to be the best that they can be. I can't thank him enough for his support, encouragement, patience and gentle honesty.

Denise Plummer – United Kingdom

Chris is an amazing teacher. You can feel his love for Spirit and mediumship within his teaching. He is very passionate about supporting and helping his students on their path to reach their full potential. He is an incredible knowledge of mediumship, that he so generously shares with his students!

Caren Bank-Wegewijs – The Netherlands

# ABOUT ME

**I have always been aware of my mediumistic ability.**

Once I had begun to consciously develop my mediumship, I was quickly led to the Arthur Findlay College, the world's foremost college for the Advancement of Mediumship and Psychic Sciences, where I embarked on intensive study and development of my mediumistic abilities.

I additionally studied at The College of Psychic Studies in London, and The Spiritualist Association of Great Britain (SAGB).

After several years of development I went on to work the platform in churches/centres in the UK, and I had an office in Covent Garden where I held Private Sitzings. I was also a resident medium at the SAGB in London.

I have since travelled the world as a Tutor, Lecturer and Demonstrator, including USA, Japan, Australia, Switzerland, Norway, Sweden, Germany, Holland, Belgium and Ireland.

One of my greatest passions is teaching and helping others to discover their own latent mediumistic abilities.

I am proud and honoured to be an Approved Tutor of The Arthur Findlay College in the UK, the World's foremost college of Mediumship and Psychic Sciences.

**'Mediumship has given me a proven answer to life after death; it is not of blind faith, but of demonstrative facts'**
